Re: United States v. Jimmie Gilmore,
19 Cr. 724 (JGK)

Dear Judge Koeltl:

I write with the consent of the government to request an adjournment of the suppression hearing in this matter in light of the COVID-19 public health crisis. The suppression hearing is currently scheduled for May 19, 2020. Given limitations on Mr. Gilmore's ability to participate in this hearing in person and prepare with counsel in advance of such a hearing, I request an adjournment until a date that the hearing can be safely held with parties and witnesses physically present. I propose that the parties be permitted to select a new date for the suppression hearing at the pretrial status conference scheduled for June 9, 2020, at 4:30 p.m. As mentioned above, the government joins in this request.

Respectfully Submitted,
